Click on a course requirement to view course information and sections available for upcoming terms.

If you would like to see how your courses “fit” in a different major, click on the What If link on the left.

- Choose a degree, the future year you may make the major change, and a major/concentration.
- Click on the “Process What-If” button.
- A sample audit will display. This does NOT change your major. It shows possibilities.

To see how courses will fit your plan, click on the Look Ahead link on the left.

- Follow the instruction to enter courses you are considering on the form.
- Then click Process New.
- An audit will open to show you where the courses fit into your plan.
- To return to your original worksheet, click on the Worksheet link on the left.

Working with your advisor, you can develop a plan to help you reach your academic goals.

You are encouraged to use this degree audit report as a guide when planning your progress toward completion of the above requirements. Your academic advisor may be contacted for assistance in interpreting this report. This audit is not your academic transcript and it is not official notification of completion of degree requirements. Go to your Webster account to obtain a copy of your official academic transcript and contact your advisor regarding degree completion.

Several tools can be used to calculate GPA. Click on the “GPA” tab to get started. Remember, this does not change nor guarantee your GPA.
