

AUM LIVE! is a Communication Club that covers media driven events on campus.

You will gain experience, learn new skills, improve knowledge in journalism and public relations, and meet new friends with similar interest.

We work together to cover events on campus and beyond. We need students that are willing to take on roles and learn basic skills in photography, editing, reporting, public relations, graphic design, videography, social media design, and event planning.

If you have any questions concerning **AUM LIVE!** Communication Club, please fill out the attached sign up sheet or contact Brittany Nobles @ bnobles1@aum.edu
